SURREYS 2013

As this newsletter is being 'put to bed' 5 Swimexcell swimmers are preparing themselves for the Surrey County Championships I am sure I speak from everyone....well done for qualifying and good luck in your races Amelia Barratt, Frances Clark, Ajay Divakaran, Molly La Frenais and Daniel Marriott.

For your information as a club we have not entered the Team events this year as they are on 7th April when so many of the swimmers are away on their easter holidays still.

MOYCE CUP 2013

On paper we had a good team for the inter club gala at Dorking on 9th February but as always other things get in the way. This year it was the Surrey School relays, some very nasty recurring 'bugs', mums and dads going out for dinner, parties etc etc. Nevertheless from what I heard those swimmers who were at Dorking lifted the roof with their supporting and above all everyone had fun. It was also established from the number of DQs obtained from the relays that the coaches will need to focus more on takeovers generally but heyhoo its the journey that matters and we will win this gala sooner or later – believe it and so it will happen. Team: Georgia Manhire, Sofia Popovich, Tharshika Divakaran, Molly La Frenais, Ruby Thorne, Sophie Zoltowski, Lauren Woolhouse, Amy Norris, Megan Hedges, Sophie Beaney, Alex Page, Rebecca Munro, Benjamin Aram, Bertie Panicucci, Thomas Howard, Leo Dos Remedios, Luke Shaw, Peter Chatzigianis, Mark Etman, Craig Cloherty, Ben Woolhouse, Felix Warren

Kickboards, Pullbuoys & Fins

Swimexcell was 5 years old officially in November and alot of water has gone under that proverbial bridge. No matter what level your commitment is to the club it has been brought to my attention how many swimmers do not yet have their own equipment These items are moderately cheap and can be purchased by saving up your pocket money/allowance or ask for such for birthdays and Christmas.
